Konsolidator A/S - Annual financial report

Konsolidator's Annual Report 2025

Company Announcement no. 3/2026 (February 06, 2026 at 08:45:00 CET)

In 2025, Konsolidator's Contracted Annual Recurring Revenue (CARR) amounted to DKK 24.4m, a growth of 15%, and exceeded expectations of DKK 23-24m. At the end of its first year of the 2025-2027 Resilient Growth strategy, Konsolidator announces steady progress across most key SaaS metrics. At year-end, the company had a negative equity of DKK 3.6m on a consolidated basis, with Konsolidator A/S having a positive equity of DKK 0.7m.

Konsolidator's SaaS metrics improved in 2025. CARR delivered a growth of 15%, compared to 10% in 2024. EBITDA loss improved by 77% in 2025, from a loss of DKK 9.3m in 2024 to a loss of DKK 2.1m in 2025. For H2 2025, Konsolidator realized a positive EBITDA of DKK 0.5m compared to H2 2024 of a negative EBITDA of DKK 3.6m.

The subsidiary Konsolidator Iberia delivered positive results by the end of 2025, making Iberia the third-largest market.

In 2025, Konsolidator signed 52 new customers, 38% of whom were acquired through partners. Furthermore, the average customer size increased from TDKK 70 in 2024 to TDKK 87 in 2025, following the company's ability to attract larger customers.

In 2025, Konsolidator secured additional equity through two successful private placements, raising a total of DKK 4.8m to support operations and enable continued investment in product development, primarily the newly launched FP&A tool and a Data management tool.

CEO Claus Finderup Grove comments: *"We entered 2025 intending to transition to a broader product suite and achieve Resilience Growth. At year-end, we have made steady progress across most of our key metrics. Specifically, the following achievements in balancing growth and cost, advancing the*

product portfolio, and succeeding in Iberia have framed 2025 and confirmed that our strategy is delivering tangible results."
